THANK YOU TO OUR SENIORS FOR THEIR DEDICATION AND LEADERSHIP TO ROSEMOUNT GIRLS BASKETBALL - WE WISH YOU ALL THE BEST

Dear Riley,

Your journey has been extraordinary. You've shown what true resilience looks like from the basketball court to the classroom and the music stage. Two ACL surgeries could have ended your athletic dreams, but you refused to give up. You fought through every challenge, came back stronger, and continued to play the game you love with courage and determination. What's even more inspiring is that you didn't just overcome obstacles—you excelled. You balanced academics, music, and sports with grace and commitment, proving that nothing can hold back a determined heart and mind. As you step into this next chapter, remember the lessons you've learned: perseverance pays off, hard work opens doors, and your faith and strength will carry you through anything life throws your way. The future is bright, and we know you'll continue to achieve amazing things.

Always keep these words close to your heart: **"I have the strength for everything through him who empowers me."** – **Philippians 4:13**

We are so proud of you—not just for what you've accomplished, but for the amazing character you've shown along the way.

With all our love,
Pa, Ma and Achi

HARPER HOPE!!!

From the moment you laced up your first pair of sneakers we knew you weren't just an athlete. You were a force. The kind of competitor no one wanted to box out, and the best box-outer in any gym. A defensive threat, relentless, gritty, and always two steps ahead. Whether on the court or on the field, you showed what it means to compete with both power and purpose. Balancing two sports at the high school level is no small feat, yet you made it look effortless. You are strong, independent, and wildly driven, but equally compassionate and loyal—a true leader who elevates others. Your impact goes far beyond the stat sheets. It lives in the respect you've earned, the teammates you've inspired, and the legacy you're leaving.

Harper, we couldn't be prouder of the student athlete, leader, and extraordinary young woman you've become. Thank you for all the memories! The best is yet to come. Keep believing in yourself, keep pushing forward and always remember where home is. We can't wait to watch this next chapter unfold Harps, the world is waiting. We love you!!

With all our love and pride, Mom, Dad, Hattie, Hildey & Holdyn, Auggie, Max, Ruby, Bella, Tinker, Teddy, Joseph, Brownie, Harry, Mary, Blaze and Precious

THANK YOU TO OUR SENIORS FOR THEIR DEDICATION AND LEADERSHIP TO ROSEMOUNT GIRLS BASKETBALL - WE WISH YOU ALL THE BEST

Liv,

Basketball has been your playground, your challenge, and your triumph. From the early days of learning to dribble to the countless hours you've poured into growing your game. Watching you step onto the court with heart, determination, and a smile on your face has been one of our greatest joys. We've seen you grow into a strong, resilient young woman who never stops pushing herself, no matter the obstacle. As you take your next steps into a new chapter, carry with you the joy, discipline, and passion that have guided you this far. We are endlessly proud of you and will always be your biggest fans, cheering you on in everything you do.

We love you!

Mom, Dad and Lolo

Hannah,

It seems like just yesterday we were walking you into your first kindergarten basketball camp, then we blinked, and now somehow you are a senior. We are incredibly lucky to be your parents and to have had the privilege to watch you grow into the kind, empathic, intelligent, funny, beautiful, confident, determined, hard-working, amazing person that you are with a heart of gold. You are an incredible role model to your sister and all the young athletes who look up to you. You lead by example with your great attitude, selflessness, generosity, willingness to always step up, and never an unkind word to say about anyone. You seamlessly balance school, multiple sports, work, volunteering, and police explorers, never faltering. You've shown incredible resilience and strength coming into a tight-knit basketball community four years ago, not knowing a soul, and stepping away from your friends and the only teammates you had ever known. You jumped right in and ever since have shown an unwavering commitment to the program, your teammates, and coaches.

No matter what, remember, the way you encourage someone who's struggling or celebrate another's achievements is just as important as the points you score and rebounds you get. Stats in a book and minutes played do not determine who you are or your worth. The season will be filled with incredible highs and challenging lows. Through it all, I hope you savor every moment – every laugh on the bench, every team meal, every big cheer from the stands, every bus ride, every practice, every game, every funny story, and every time the buzzer sounds. These are the experiences that will stay with you long after the whistle. No matter where life takes you, know that we will always be your biggest fans, we love you more than you will ever know, and we are so endlessly proud of the person you've become. *Oh, The Places You'll Go!* Hannah Banana!! Dream big, know your worth, and never settle for anything less!!

With Love Always, Mom, Dad, Isaiah, Colin, Max, Isabelle, Ethan and Sadie
