

## 2021 Intermediate Divison Tournament

Pool Play - Arroyo Grande Valley Little League & Coast Little League

All games played at Don Roberts Field and Monarch Grove Elementary

During the tournament each team will be assigned as home team once regardless of the home field.

When playing against your own league, home team will be determined by regular season standings.

For the Championship Game the home team will be decided by pool play record. If both teams have the same record, the home team will be determined by lowest runs allowed per inning during pool play.
