

REFERENCE VENDOR LIST FOR JERSEY NAMES

Names on jerseys are to be added if, and only if, ALL families agree to having the names on the jerseys. You can choose to use first name or last name.

The following vendors are recommended as possible providers to add names to player jerseys. These vendors are not endorsed by Shorewood Soccer League, they are provided as a convenience to Team Parents only. Shorewood Soccer League is not responsible for errors caused by vendors.

- 1 . BusyCraftinMomma, Minooka (815)416-8541
- 2 . Sports Huddle, Lockport (815)838-8522
- 3 . Susan, Shorewood (815)409-1264

You should review the vendor you choose to confirm they will meet the schedule needed to return jerseys to you and at a cost that is acceptable to all team members. Be prepared to provide the list of names to be placed on the jerseys and the associated jersey number for each.

Roster sheet provided on the website <https://www.shorewoodsoccer.org/teamparent> This roster sheet will also be used at picture night. Please fill out, sign and turn into any board member at picture night. (paper copy please).

It is preferred that the name is located above the number but If the jersey number is too high, the name can be made smaller to fit or moved to below the number as long as it is not hidden by tucking the jerseys in.

Please contact the head of team parents with any questions.
