

Pius XI Catholic High School 2021 Fall Sports

Fall Sport	Meeting	Start Date	Coach
<p>Cross Country - Anybody coming out for Cross Country is expected to be in running shape on the 1st day of practice. Athletes should run daily during the summer to get conditioned for practice. Captains will be contacting athletes when Track season is over to organize "Captain's" practices which are usually held in the mornings, and consist of stretching and a group run. Bring a water bottle to Captain's practice and also to all in-season practices. Summer mileage is very important as runners must be able to run 3.1 miles before they are allowed to compete in a meet.
