

Hair Instructions for Low Bun with a Center Part

- 1) Part hair down the center. You will see the part from the front, but not from the back.
- 2) Pull hair back into a low ponytail at the base of the neck.

- 3) Lightly twist the ponytail. Start wrapping the hair into the bun, pinning with bobby pins as you go. Do not use a bun form.

- 4) Finish wrapping ponytail around, pinning as you go to hold the bun in. Finish by pinning in any strays. If you have a lot of hairs coming out, you can use a hairnet to keep them in. Spray with hairspray.
