FOREWORD

The National Americanism Commission of The American Legion sponsors numerous programs for America's Youth. Americanism is defined as an unflinching love of Country, loyalty to its institutions and ideals, eagerness to defend it against all enemies, individual allegiance to the Flag, and a desire to secure the blessings of liberty to ourselves and our posterity.

Our forefathers laid the foundation for a civilization that is the envy of the world. It has brought us greater spiritual and material wealth than any people have ever known. This is our heritage. The many activities of the National Americanism Commission are designed to acknowledge and preserve that heritage, recognizing all of the inalienable rights of man. Baseball is one of the Programs of the National Americanism Commission which is designed to benefit our nation's youth.

American Legion Baseball (ALB) began in 1925 and held its first national tournament the following year. Today, more than 3,000 teams and some 54,000 players participate in all states and Puerto Rico. ALB consists of two divisions – seniors (19 years of age and younger) and juniors (17 years of age and younger).

ALB strives to teach practical lessons of good sportsmanship and citizenship. Loyalty, respect for rules and decisions rendered, fair play, courage and physical fitness are emphasized in this activity.

The Legion's national organization conducts tournaments in its senior division. The winners of eight regional tournaments advance to a national championship tournament. The team crowned national champion is honored by Major League Baseball with a trip to the MLB World Series.

Many current and former MLB players developed their skills on American Legion diamonds. They included Hall of Famers like Bob Feller, Ted Williams, Don Drysdale, Joe Morgan, Yogi Berra and Reggie Jackson. More recent stars like Chipper Jones, Albert Pujols and Darin Erstad played American Legion Baseball.

Yet baseball isn't the only area where former players have excelled. Legion Baseball graduates have gone on to prominence in other career fields. Former Vice President Dick Cheney played for Post 2 in Casper, Wyo. Famed journalist and author Tom Brokaw played Legion ball in South Dakota, and Secretary of Agriculture Tom Vilsack was on a team in Pennsylvania.

In short, Legion Baseball graduates are proud contributors throughout our society and often are the most successful people in their respective career fields.

American Legion Baseball depends upon its Posts, individual Legionnaires and other Legion family organizations to promote the activity. Enthusiastic leadership, coaches and players are available in almost every community where an American Legion Post is located.

2025 NATIONAL AMERICAN LEGION BASEBALL RULE CHANGES

The Americanism Commission has approved the following rule changes for the 2025 American Legion Baseball season:

- 1. 6.D. Dual Participation.** American Legion Baseball players or teams may participate in other amateur baseball programs during the regular season; however, the team manager and player must obtain written approval from the department baseball chairman prior to participating in the event and/or tournament. The use of National Form #6 is strongly recommended and is available online at **baseball.legion.org**.

POINT OF EMPHASIS

The American Legion believes team loyalty is a key ingredient for any team sport. Dual participation shall no way interfere with a player's responsibility to his American Legion Baseball team. Once department state tournament play has completely concluded and should there be open dates prior to team travel (August 4) to national regional tournaments, a player(s) may be granted permission to dual participate. CLARIFICATION - Players attending military assignment, MLB-sanctioned invitation-only events or college of enrollment orientation workouts may be granted an exception on a case-by-case basis, with proper documentation. Prior written approval from the American Legion Baseball Committee chairman is required.

- 2. 6.E.1 Players Per Team.** For those American Legion Baseball programs that have affiliated senior and junior teams, junior eligible players may participate on both teams during the regular season. However, senior eligible players may not participate on a junior team. Those eligible junior players may appear in an affiliated senior team game provided the total number of players in such senior game does not exceed 18 players.

3. Tournament Rules and Policies:

Extra Innings: If the score is tied after nine (9) complete innings, each half-inning following the ninth inning will begin with a runner on second base. The runner placed on second base at the start of each half-inning shall be the player in the batting order immediately preceding that half inning's leadoff hitter. By way of example, if the number five hitter in the batting order is due to lead off the tenth inning, the number four player in the batting order shall begin the inning on second base.

The following MLB rules have **NOT** been adopted by The American Legion Baseball Committee for use during the 2025 season and shall not be used in the Department of Massachusetts:

1. Larger Bases
2. Ohtani Rule (DH for pitcher only is still in effect)
3. One Way Communication
 - a. Not an official MLB Rule
 - b. **ALB Rule:** The use of one-way electronic equipment in the dugout is prohibited. A tablet computer used for score keeping purposes only is permissible.
4. Extra Inning Rule (Runner at 2B, except as approved for National Tournaments including the Department Championship Tournament)
5. Pitch Timer
 - a. MLB Rule 5.07.c (Pitcher Delays) will be observed but not timed.
 - b. When the bases are unoccupied, the pitcher shall deliver the ball to the batter within 12 seconds after he receives the ball. Each time the pitcher delays the game by violating this rule, the umpire shall call "Ball."
6. Mound Visits Per Game
 - a. MLB recognizes 5 visits per 9 innings.
 - b. ALB will continue to follow the 2 visits per inning requires a change of pitcher rule.

**DEPARTMENT OF MASSACHUSETTS
2025 AMERICAN LEGION BASEBALL RULES
2025 RULE CHANGES ARE UNDERLINED**

RULE 1 - PLAYING RULES

- A. All Department games shall be played in accordance with rules adopted by the National Americanism Commission of The American Legion and by the Official Baseball Rules as authorized by the Commissioner of Major League Baseball for 2025, with the exception of the Rules contained herein.
1. Unless modified by the ground rules provided to the umpire prior to the start of each game, if a fielder, after catching a fly ball, falls into a bench or stand, or falls across ropes or an imaginary line, or falls into a crowd when spectators are on the field, the ball shall be declared dead and each runner, other than the batter, may without liability to be put out, advance one base. However, if a fielder after making such a catch does not fall down, the ball shall remain in play and runners may advance at their own peril.
 2. The use of any form of tobacco by a player, coach, manager or umpire while on the playing field is prohibited and shall result in that person's immediate ejection from the game.
 3. All players are required to wear double flapped, ear protective batting helmets while on deck, batting and/or running the bases.
 - a. All bat boys (girls) must at all times wear double flapped, ear protective batting helmets while on the playing field or in the dugout.
 - b. All batting helmets must have the NOCSAE seal of approval stamped on the helmet, and such seal must be visible on the outside of the helmet.
 4. In addition to normal catcher's equipment, catchers are required to wear a safety helmet, throat protector and protective cup. Any catcher's mask that does not have an extended metal throat protector at least 2 inches in length is required to have an attachable throat protector. Umpires and Department officials shall halt any game until this rule is complied with.
 - a. All players and coaches are required to wear a catcher's mask while warming up pitchers if they are in the catcher's customary position, regardless of whether they are on the field or in the bullpen. Players or

coaches refusing to wear a mask while warming up a pitcher after being so warned, shall be ejected from the game.

5. **Pitching Rule.** (National Rule 1.S) No player may pitch more than a total of 105 pitches per day. A pitcher will be allowed to finish a batter if he reaches or exceeds the maximum limit during an at-bat, but must exit the position after that hitter. No player may enter the game as a pitcher without having fulfilled the required rest days as mandated in the chart below. No player may make more than two appearances as a pitcher during any consecutive three-day period. PENALTY – The pitcher is removed from the pitcher’s position and head coach shall be ejected from the game and serve an additional game suspension.

Daily maximum (pitches in game)		Required rest				
		0 day, 1 day, 2 days, 3 days, 4 days (number of pitches)				
		0-30,	31-45	46-60	61-80	81+
ALB Senior & Junior Programs	105					

- a. Any player may be removed from the pitching position and remain in the game at another position. However, a pitcher will be automatically removed from the position when a coach makes a second trip to the mound in the same inning, and that player cannot return as a pitcher in that game. PENALTY – Forfeiture of the game if a protest is filed with the umpire-in-chief before the last out of the game.
 - b. If a player returns as a pitcher in the same game, he will be charged with another appearance.
 - c. A day is defined as 8 a.m. to 8 a.m.
 - d. If a pitcher throws 45 or fewer pitches in game one of multiple games on the same day, he may return to pitch in game two, up to 105 pitches total for the day. If a pitcher were to throw more than 45 pitches in game one, he would be ineligible to pitch in game two.
6. All teams must have an up to date and comprehensive First-Aid Kit at all games see suggested contents for First Aid Kit on National Web site. No game may commence unless at least one team has such a First Aid Kit in their dugout area. Teams that are unable to produce such a First Aid Kit at games are subject to a Fifty (\$50.00) fine.

7. All players on each team must wear full identical uniforms in order to participate in any regular or post season game. Players who are not in full identical uniform shall not be allowed to participate in such games.
 - a. The American Legion Baseball Insignia must be worn on the left sleeve or left chest of the uniform shirt. The uniform shirt shall also be numbered and display lettering that identifies the Post, Department, Town, City, Community or Sponsor of the team represented which is acceptable to the Department Chairman. However, no emblem or insignia representing any other baseball organization shall be permitted to appear on an ALB uniform.
 - b. Any player, coach or manager who does not have an American Legion Baseball insignia on either the left sleeve or left chest of his uniform shirt, wind shirt or jacket will be removed from the game.
 - c. District Chairmen must instruct their District's Head Umpire to instruct all District umpires that no player is to be allowed on the field during games unless they are in compliance with this Rule.
8. Only managers and coaches listed on their team's National (Electronic) Registration Form #1 or Coaches Drop/Add Form #5 may coach from the coaching box and/or visit the pitcher's mound during any regular or post season game, provided, however, that they are in full uniform which is identical to their team's players' uniform.
 - a. Coaches may wear courtesy jackets over their uniform provided the American Legion Baseball Insignia is on the jacket's left sleeve or left chest and provided further that no emblem or insignia representing any other baseball organization shall be permitted.
 - b. Managers and coaches who are not in full uniform must remain on the bench during games and may not go onto the field or coaches' box for any reason other than an emergency. District Chairmen must instruct their District's Head Umpire to instruct all District umpires that no manager or coach is to be allowed on the field unless they are in compliance with this Rule. Managers and/or coaches who violate this rule are subject to ejection from the game.
 - c. Protective Helmets for Coaches: All coaches are mandated to wear a protective helmet while in the coaching box during play. The coach may

choose the type of protective helmet - single-ear flap, double-ear flap, or no earflap helmet, but they must have a helmet. Any coach who fails to wear a protective helmet during play, shall remain in the dugout until they comply with this rule. A player with a double ear flap protective helmet may act as a coach. This is a safety rule. A second violation may result in an ejection by umpire.

- d. Coaches Box: As part of Official Baseball Rules, base coaches may not be permitted to stand out-side the "front" of the coach's box prior to the ball being in play. This is a safety issue. A coach may leave the coach's box once the ball has been put into play. The coach may stand outside the "back" of the coach's box at any time. Failure to abide by this rule may result in an ejection.
 - e. All managers, coaches and Volunteer Staff of Junior and Senior American Legion Baseball Teams must successfully pass the background check screening process and the Child Abuse Training Program available through Protect Youth Sports prior to any meetings, events, practices or games for their team. Teams will not be approved if any member of its staff has failed to successfully complete the process or having completed same, has failed to successfully pass the background check and/or the Abuse Training. Certificates of Completion of Child Abuse Training will only be accepted from Protect Youth Sports and not from any other program.
 - f. Team Staff members who allow an individual to associate themselves with a Team who has not successfully passed the background check and/or Abuse Training will be subject to immediate suspension from the Program.
 - g. All players participating in the Department Senior Championship Tournament who have attained, or will attain their 18th birthday by the end of the World Series (August 21, 2025) must successfully pass the background check screening process and the Child Abuse Training Program available through Protect Youth Sports in order to participate the Regional Tournament.
9. Only bats approved for use in American Legion play may be used in games. Please refer to National Rule 1B. All non-wood bats must be BBCOR certified. If any bat is used in a game and fails to meet this requirement, the bat shall be removed from the game, the batter shall be declared out and the head coach or team manager shall be ejected from the game.

- a. For the purposes of Rule 1.B, the term “used in a game” shall mean: the batter was in the batter’s box during an official pitch whether or not the batter struck at the pitch.
10. **Diamond D1-AL and Diamond D1-AL-MA** are the only baseballs approved for use in the Department of Massachusetts in 2025.
11. **10 Run Rule.** (National Rule 1.U) May be used in all regular season and playoff games in the Department at both the Senior and Junior Divisions.

CONCLUSION

The rules and regulations for American Legion Baseball have developed over the years, based upon the experience, both good and bad, given to the Department Baseball Athletic Committee by managers, coaches, parents and other Legionnaires. The Department Athletic Committee meets throughout the year to discuss and make recommendations for the good of the program. Changes affecting the national program are forwarded to the National Baseball and Recreation Subcommittee, who in turn, make final recommendations to the National Americanism Commission who either adopt or reject these recommendations. Department Chairmen and members of the National Americanism Commission vote on policy, procedures and rules. It is those suggestions passed on from parents, coaches and team managers which have allowed the American Legion Baseball program to become the most prestigious amateur baseball program in America.

For one hundred seasons, The American Legion has sponsored this baseball program. American Legion Baseball is the largest, nationwide, teenage baseball program in America. Literally, millions of young players have played the game. This program has developed over the past ten decades thanks to the dedication of hundreds of thousands of volunteer American Legion members. To the Coaches, Managers, Sponsors and the thousands of Legion Volunteers who help make the program exist, we extend our most sincere appreciation.
