Viper's Volleyball Parents Team Policy

1. Please commit to making sure your son/daughter arrives to practices and games on time. (15 minutes early will help your son/daughter get situated and prepared)
2. If your son/daughter is going to be late for any practice or game, notify your coach ASAP.
3. Make sure you talk with your son/daughter about respecting referees at all games. A referee will make mistakes and bad calls. A referee's job is not easy. Parents should also show respect to all referees.
4. Please try to stay away from the sidelines during games. Make sure your son/daughter has all necessary equipment, drinks, and everything they need before the start of the game.
5. Please do not pass food and drinks to your son/daughter. If you need to give your son/daughter anything, please give it to a coach to give to your child.
6. Please try not to coach your son/daughter during the game. Let your coaches coach.
7. Respect opposing teams, coaches and fans.
8. If any parents have any concerns, complaints over playing time, positions or any situations, please call Coach Katie.
9. If any parent has any problem, situation or complaints about a Viper Coach, please call Coach Katie or Coach Pops. Please schedule a time to meet and talk if necessary. Please do not complain to other parents. Let's do our best to be positive.
10. Please make sure your son/daughter makes no negative comments on social media about a teammate, parent, coach or referee and parents should do the same.
11. Please make payments for team fees as scheduled. If there is a problem paying your fee, contact Coach Katie ASAP. Please remember your son/daughter's Viper team has money due at certain times to keep the team running and all the players have coaches, practices, games etc. Players cannot practice or play games when fees are not paid. Just make arrangements with Coach Katie and everything will be OK and we can work everything out.
12. There are no refunds for team fees. Every player on the roster is divided equally into the team budget. Every player's full fee is needed for the team's expenses.
13. There are certain times during a volleyball season when our emotions get involved with the words we use. Let's all be positive. Talking to other parents about a personal negative viewpoint, situation or complaint is not helpful. Please contact Coach Katie or Coach Pops.
14. All parents should know as members or part of the Viper Volleyball Club, we emphasize all electronic communications and any social media between your son/daughter and any Viper coach or representative must be professional in nature and for the purpose of communicating information about team activities.
15. Please understand from time to time, digital photos, videos of practice, competition and games and other publicly obtainable images of the athletes individually or in a group, may be taken. It is the default policy of Vipers Baseball Club, Inc., which includes Vipers Volleyball Club, to allow such practices as long as the athlete or athletes are in public view and such imagery are both appropriate and in the best interest of the athlete and the club.

**Any parent or guardian of an athlete may request in writing that their child not be contacted in any form of electronic communication by Viper coaches or representatives of the club's photography or videography.*
