

# ***2020 St. Anthony*** ***SUMMER SOFTBALL REGISTRATION***

***HEY! GIRLS!***

***LET'S PLAY SOFTBALL THIS SUMMER – with St. Anthony Sports Boosters!***

**REGISTRATION for Summer Softball IS OPEN NOW!**

***DON'T WAIT – RESERVE YOUR SPOT SOON!***

There are many different Levels of Play available:

- **Introductory (“Intro”) Softball - geared for girls age 6-7: \$65.**  
But, girls as young as 5 (with advanced skills for their age) have been successful in Intro Softball. Girls age 7 with good softball skills should consider **8U Softball**.
- **8U Softball - geared for girls ages 7-8: \$115.**  
Girls as young as 7 with advanced skills, or who have successfully completed Introductory Softball should consider 8U Softball. Girls age 9 with advanced skills, or who have completed two years of 8U softball should register for 10U Fastpitch Softball.
- **Fastpitch Softball – for girls ages 9-14: \$230 (10U) or \$250 (12U & 14U)**  
Fastpitch Softball (in the Tri-County League) involves more games, practices, and a greater commitment from the athlete; it is for girls who like to play Softball, learn new skills, and take their game to the next level. The 10U schedule includes fewer games, hence the lower fee.
