

**Lakeville North Boys Soccer Boosters  
Meeting Minutes / July 12<sup>th</sup> 2020**

**In attendance: Pete Tyma, Eric Adamson, Jeff Atkins, Ryan Wright, Ed Byrne, Sara Byrne, Zach Tefft, Michelle Charchenko, Ben Brucciani, Mary Brucciani, Jenn Siefken, Kim Adamson, Michelle Enderson, Chris Markey**

**Coach Tyma updates:**

- No decision yet on fall sports from MSHSL.
- LNHS Boys soccer team training targeting to start week of July 20<sup>th</sup>. Tentative plan is to start with 1 session the first week, 2 sessions the week of July 27<sup>th</sup>, and 3 sessions the week of Aug 3<sup>rd</sup>. Likely to be separated by grade. Update will be coming.
- Pre-season meeting on July 27<sup>th</sup> will have to be online via Zoom (not in-person). Content of meeting will be different than normal. Possibly could move meeting date if able to, since the MN Dept of Education meeting is that same day.
- Registration likely won't be open until first week of August.
- Facilities: stadium turf should be ready next week, practice turf targeting to be done Aug 14
- Coaches: all coaches from last year set to return
- Tryouts still set to begin Aug 17<sup>th</sup>, unsure on participation in Rochester scrimmage
- Alumni game set for Aug 25<sup>th</sup>, this could be revisited
- Varsity team is still registered for Wisconsin Dells Sept 12<sup>th</sup> weekend. Still determining if we need to pull out of it, if we can get registration fee back. We are not committed to paying for hotel reservation yet.
- Regular season dates are posted, could still be modified (perhaps trimmed down to conference games only)
- Soccer night is Oct 8<sup>th</sup>, Chris will reach out to South since they are hosting
- Senior night is Oct 6<sup>th</sup>.
- Adding a cancer fundraiser night or some form (or theme for season) we are still open to, will need to decide details later, perhaps have an organizer/chair for.
- Youth players escorting onto field we could still try to do. Eric to follow-up with Forrest Randall.
- Souvenirs: scarves, umbrellas, hats, facemasks. We can order, would just need to decide what. May be too risky to order now with uncertainty of season.
- Team Poster: Jon Cochrane will do it for us again
- Livestream of games: looking at doing every home game, with possibility to add a few away games
- Hudl offered a school-wide plan to LNHS, coach is in discussions with AD.

**Eric Adamson updates:**

- Open Booster positions:
  - Ball Boy Coordinator
  - Game Day Refreshments (now filled by Mary Brucciani)
  - Cookie Dough Coordinator
  - Shop with Scrip Coordinator
  - Papa Murphy's Pizza Card Coordinator (now filled by Kim Adamson)
  - Banquet Coordinators (2)

**Michelle Charchenko updates:**

- We are still waiting for 2019 large district bills
- Concerns on the same amount of income coming in (sponsorships, restaurant nights, less home games all possible this year), but also could have less expenses (no WI Dells trip, etc).
- Dick's Sporting Goods and VFW submitted donations to our program
- Warm up coat bill came through
- Check swapping (writing out multiple checks and collecting) will continue

**Other items:**

- Banquet reservation is made (Nov 1<sup>st</sup>?). Eric to confirm with Marianne. Obviously banquet could look different this year.
- MN United night: Michelle E said we can get a refund for our group reservation this year, or carry over into next year. Vote was to carry over the reservation. Michelle will transfer reservation to Eric and Jeff's names.
- Sponsorships: Chris ready to send out sponsorship renewal emails as soon as we are ready. Can go ahead now with an informational email (not requiring a renewal decision yet). Chris to follow up with Coach Tyma before sending.
- Team Snap: Zach has pricing if we want to use it. Cost would be around \$700 per season for our program. We will wait to commit until we know we are having a season.
- Shutterfly photos: Ryan to set up for this season. It is free.
- Sign Up Genius account: Ed has setup in preparation for this season. This cost was renewed back in March. Ed is checking to see if season is cancelled, if we can get a refund or carry over to next season.
- Video: Ryan to work with Mark Enderson to shadow on video equipment for this season
- B52's night: set for Sept 28<sup>th</sup> (Jeff to add to website)
- Chris to check with other restaurants on program nights (Barley & Vine, Northern Taphouse, etc).

**Next Booster Meeting:** Sunday, August 9th
