\*Note the later start time. We will use 2 HJ pits with both genders competing at the same time. Girls PV will take place behind the HOME bleachers. Boys PV will take place inside the competitive track, opposite HJ. We only need 1 heat for all relays and 3 heats for all individual events. We are starting later but finishing around the same time. I did account for some extra recovery time between the 800/200 and 4x400.
