

AGM 2018 – Board Nominations

Jordano Borea

Jordano has been with the club for over 5 years now. He has volunteered as a coach for both of his daughters. He also currently plays in our Adult League.

Alex Da Costa

I am applying for a position on the board of directors because I want to use my skill set to help make a difference in the organization that I have entrusted my son's development with. I am a strong negotiator with extensive experience in delivering projects and managing people. I want to be involved with an organization who is shaping the lives of our kids through the greatest sport. Please consider me.

Murs Gafoor

I have been an MYSC board member for the past three years and am currently serving as the Club's Treasurer and head of the Finance Committee. In years past, I have also served as a member of the board's technical committee. I have worked in the financial consulting business for nearly 25 years. Our family have been members of MYSC since 2010. Currently my daughter is part of the JDP program and my son is a referee. I myself, have been an active member starting as a volunteer coach for the club's house league program, then later as a volunteer coach for the JDP program, and I still participate in the adult men's league program. I believe Milton has a fantastic program led by our TD Miles O'Connor, that does an outstanding job of developing our kids and giving them opportunities to achieve their soccer goals, leverage their skills set for postsecondary education, and potentially move on to careers in the soccer community. I think that by living in Milton, which is one of the fastest growing communities in Canada, we have a unique opportunity to develop the kids and club, and I look forward to contributing to the success of both.

Suzy Golen

"My son has been with Milton Magic for the past 7+ years, started off in the house league program and I coached during those years. He is now part of the JDP program and I have been the Team Manager for his team the last 3 years. I have been part of the Milton Magic Board of Directors for the last year, and would like to continue helping out in any way I can."

Julie Parnell

"My daughter has been playing in the club since 2008 (5 years old) and joined the YDP program at the age of 8. I have been the team manager for the last 7 years and have seen all the great things the club has accomplished that I would like to be a part of."

Manuel Vera

Manuel is an experienced professional, with 20+ years of experience managing teams and projects. He has completed all his requirements to coach and has been coaching several years in the house league and JDP programs. Manuel brings lots of experience and great ability to communicate and strategic view to the club development and success.
