2. **Report of Officers**

A. Recording Secretary - Board adopted a policy regarding travel teams. The goal is to leave as much control in the hands of each sport, but to provide some guidance based on lessons learned over the past few years and to provide consistency both internally and across sports.

Board has adopted a pilot policy for adult leagues in the MRC. There was interest expressed and it is not inconsistent with our bylaws. The purpose of the policy is to give a test period to (1) gauge interest, (2) obtain information on how it goes and (3) see whether we will provide for such opportunities in the long-term.

Please use the code of conduct. It provides minimums for penalties. No discretion to reduce penalties.
