

2026 Sponsorship Opportunities

The Solomons Boys and Girls Club, Inc. is a nonprofit youth club that offers the children in our area recreational football, cheerleading, and lacrosse. We work hard to provide participants with a safe environment where they can learn and master the team sports experience. In doing this they will learn essential life skills and discipline such as teamwork, problem solving, self-awareness and growth as well as creative and critical thinking.

We are currently in need of replacing our football helmets, practice wear and equipment, as well as cheerleading mats, and parts of our scoreboard. We are striving to do so without raising our registration fees. This is where our valued business partners come in!

- Prices for youth sporting equipment and uniforms have significantly increased over the last few years, and our priority is to keep our registration fees as low as possible.
- We offer valuable advertising opportunities for our partners in return for your sponsorship. These opportunities will get your business in front of hundreds of not only our Solomons Steelers families and friends, but of those from opposing teams as well!
- PLUS, our well attended Homecoming Weekend activities and all home games will generate large crowds and tons of excitement providing added business exposure.
- All of our packages also include social media exposure and a listing on our website sponsorship page.
- We have also added the opportunity for anyone to help out families and athletes with their specific needs - like registration costs, or cost of other equipment like cheer kits or game jerseys.

Please see the attached packages and feel free to choose one that meets your needs and expectations. Feel free to propose a specialized Sponsorship Package for your needs! Thank you for your time and consideration in helping our local youth and their families!

Thank you,

Solomons Steelers Board of Directors
