We are reaching out to the local businesses in our community to ask if you will advertise in our 2021–2022 Sports Programs for Cinco Ranch High School.

The Athletic Booster Club's mission is to assist the Athletic Department as it works to support the mission of Katy ISD and Cinco Ranch High School. The club promotes and encourages all the athletic sports by offering logistical, volunteer and financial support to this important aspect of our athletes' education. Through team athletics, our athletes learn to face challenges, to overcome their limitations, and to develop personal integrity through sportsmanship, all while experiencing the rewards and lessons that come from teamwork.

The ABC provides financial support through monies raised by volunteers to purchase supplies, equipment and make capital improvements beyond what the district budget provides. In addition to that we also grant scholarships annually to our graduating senior athletes. In the last 3 school years the booster club was able to provide 59 student athletes with a \$1,000 scholarship for college. It is through your ad purchase, along with the other businesses that purchase an ad, that helps makes this possible.

Attached is a letter from the Katy ISD Executive Athletic Director regarding the ad sales along with our current program ad form that lists the prices and the various ad sizes beginning at \$200. **Please contact us for more information if you are interested in advertising packages that include many more benefits in addition to an ad.**
