

Where do I take SafeSport and/or IMPACT?

If your membership requires you to take SafeSport or IMPACT, you access these courses directly from your SportsEngine membership account. Follow the steps below:

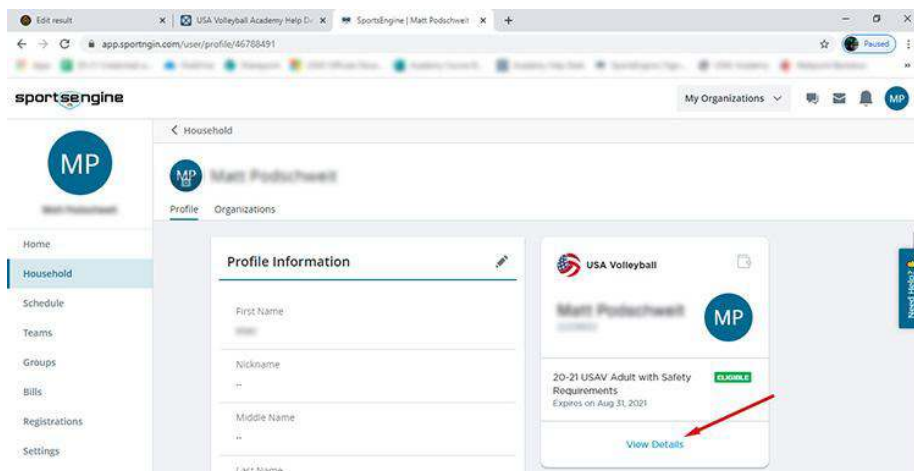

1. Follow [this link](#) and login to your SportsEngine membership account.
2. In the column on the left, click on Household

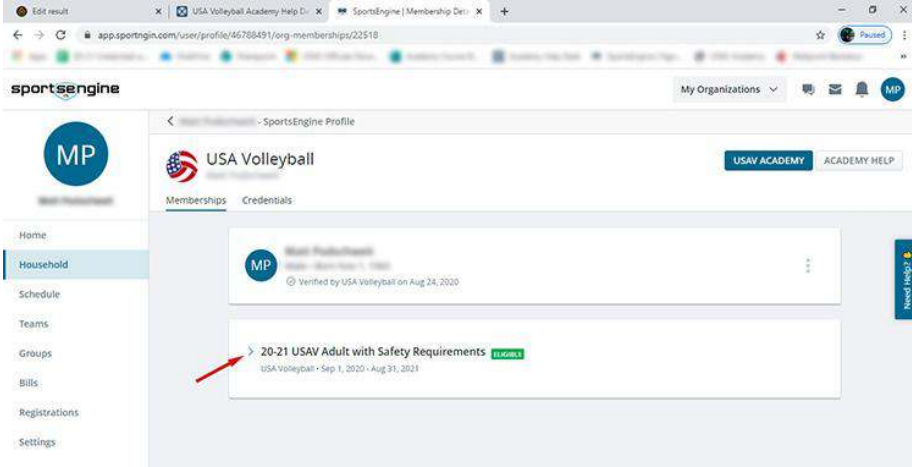

3. Click on the tile with your name on it

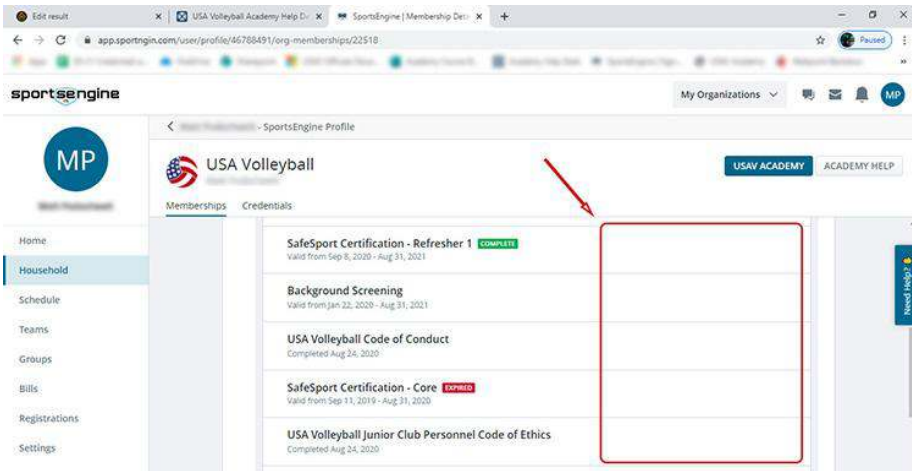

4. Locate the USA Volleyball membership tile on the right and click on "View Details"

5. Click the arrow to un-nest the requirements of your membership

6. For any incomplete requirements, you will find a button to the right of it's listing.

If you require further assistance, please send an email to usavhelp@sportsengine.com
