

ABOUT OUR CLUB

With its long history of promoting soccer in Northeast Ohio, we are developing the next generation of Cleveland Premier Soccer players, to take Ohio, Midwest and national soccer programs to the highest level of competition.

Croatia Cleveland Juniors Premier soccer program is based on fundamental European soccer concepts and principles. We have an elite coaching staff and a sound foundation in skill development. We set a standard which players must be able to attain, i.e. a measure of competency to continue to participate on a competitive team. Our development model follows a proven pathway, with top players graduating from our academy to play for our men's and women's first teams, which compete in the OVPL and WPSL, respectively.

We continue a high standard of developmental training for all coaches and players to maintain the strength and depth of all our age groups within the club.

Our players hail from Mentor, Willoughby, Madison, Mayfield, Kirtland, Lyndhurst, Highland Heights, Perry, Painesville, Wickliffe, Willowick, Eastlake, Chardon and West Geauga as well as from other programs throughout Lake, Geauga and Cuyahoga County.
