

Jr Pacer Soccer Last Week [Week of 10/11]

October 9, 2021

Good Afternoon!

We are going into the final week of JrPacer Soccer. Just a few items to share:

- 1) Don't forget about tomorrow's training. Let Coach Jacinto know if you are NOT able to attend.
- 2) Don't forget about filling out the [Google Form for Winter Indoor Soccer Session 1](#) even if it is yes or no. Here again, is the [information on the league](#). All games are at the REAL School in Sturtevant; all on Saturday. And with our connection to the league, we have some further wiggle room to avoid most conflicts with grade school basketball.
- 3) TUESDAY's game is AT Heritage Christian. It is at 4:30 and will REQUIRE an early release from school for most. HERE is a map for [Heritage Christian](#). This will be one game only.
- 4) Thursday's game is AT SHORELAND. The game time is now 6:30 pm. I have a few requests to have a game prior to the 6:30 game in the hopes of more playing time/experience for everyone. I will let you know as soon as I know. It will most likely be a 5:00 pm game time.

I will keep you posted!
