

S&D Blue Jays

Photo Time: 12:00pm

(IMPORTANT: Read entire instruction sheet)

Chesler Photography is pleased to be photographing HFL-M Baseball again this year. In order to make the experience a positive one and make the day go smoothly, please read the following information on how to proceed on photo day. We thank you for your help in making this process go off without a hitch.

- 1.) Please have players arrive to the field at least 15 minutes prior to scheduled photo time. This will ensure that players have everything they need and we can answer any questions. When you arrive, see a Chesler Photography associate near the "Photo Sign Up" flag for instructions on where to go for your photo. Players do not need to wait until the entire team is present to come to get your photo taken, however, **ALL PLAYERS** must have a photo taken for the team composition, even if they are not ordering photos. It is important that you see the associate before proceeding to the photo station to ensure that you are in the correct line. Once the individual photo is taken, the players can proceed to their field.
- 2.) Make sure the child is holding their order form when they are standing in line for photos, and that they have either their glove or bat with them. We ask that you limit the people coming to the photo area to the child and one parent for COVID safety and for traffic flow.
- 3.) Any questions that the parents have regarding the order form should be directed to our studio. They can call or send us an email before photo day to help keep us on time. 585-393-9242 or info@cheslerphoto.com.
- 4.) **COACHES:** If you are going to be in the team photo, we will also need you to come and get your photo taken. When you check in, we will have a paper for you to take with you to the photographer. If you are the coach of more than one team, please let the person at the check in table know. You only need to get your photo taken once.

Thank you again for your cooperation. We look forward to seeing you on photo day.
