Letter of Intent

Position: Treasurer/Registrar

Name: Judy Laroche

Hi Everyone,

My current position as Treasurer / Registrar term is up. I would like to run once again. I have been part of the organization for a very long time. My intent is to serve every family to my best ability if elected. I work closely with families if they ask for help. Also, there is grants out there for families that need extra help from the Warner Home Foundation.

Thank you,

Judy Laroche
