Upcoming Event:

OMGBA Boys Tournament

Date: Nov 14-15, 2020

Tournament Director: Matt Krebs <boystourney@omgba.net>

OMGBA is committed to providing a safe and healthy workplace for all our athletes, coaches, families, visitors, and volunteers. To ensure we have a safe and healthy program, OMGBA has developed the following COVID-19 Preparedness Plan in response to the COVID-19 pandemic. Coaches, parents, players, guests, and volunteers are all responsible for implementing this plan. Our goal is to mitigate the potential for transmission of COVID-19 in our programs and communities, and that requires full cooperation. Only through this cooperative effort can we establish and maintain the safety and health of all persons in our program.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. By attending any OMGBA event, you voluntarily assume all risks related to exposure to COVID-19 and agree not to hold OMGBA or its officers, directors, employees, or volunteers liable for any illness or injury. While we are employing safety and sanitation procedures as recommended by the CDC and Minnesota Department of Health, where we bear responsibility, we cannot guarantee that any of these measures will completely protect you. You agree to accept all responsibility for the risk that you may contract COVID-19.

Wristbands / Tickets:

Each team has a max of 20 wristbands for the weekend of the tournament. The wristbands are placed in a team envelope stored at the site admission desk. Upon coach check in, a wristband contact form (including contact information for all spectators) and player waiver for each participant are exchanged for the corresponding number of wristbands from their envelope. The waivers/contact log are sealed in the team envelope and provided to the tournament director. No individual wristbands or walk up tickets will be sold.
