    - Colton's logo: Group reviewed logo designed by Colton that Moore Imprint already has. Discussed possible concerns that may arise with using it. Cost may be slightly higher since it's a multi-color logo which costs more.
    - Angie provided an overview of the apparel ordering process and timelines associated. She'll send the list of inventory offered last year and sales info to Shannon and Amie.
    - Items need to be ordered in June so they're available for the scrimmage on 7/20, which is when items were distributed last year. An additional sale was done in late September since a lot of people missed the first sale.
  - Meals (Lisa Rock): Angie provided info to Lisa; she plans to reach out to Hurtgen's in June.
  - Tiger 300 (Reggie, everybody)
    - The board is at Randy's, tabs will arrive next week. Plan to do a promo push once everything is ready.

    - Camp snacks: July 20<sup>th</sup> when we do joint practice with other teams. Also plan to provide snacks during the first two weeks of camp, we can scale back as needed.
    - Family potluck: Reggie is on the fence about doing. If we do it, we'd do it on 8/11. (23 seniors, 115 or so total kids)
