Free Skate 2 and above: Improve your MIF tests and competition programs by working on your POWER, EDGES, and ENDURANCE. Class will begin with 15 minutes of off-ice warm up and conditioning. On the ice, we will do a variety of power drills, edge exercises, turns, and conditioning to help skaters increase their endurance and fitness. Class will end with a five-minute on-ice cool down. Total instruction time is 60 minutes (15 minutes off-ice and 45 minutes on-ice). Class will be held Tuesday morning 6 a.m. to 7 a.m. Cost is \$10 per session. Sign up for each individual class on Private Ice Contract. Walk-on \$15. Limit 20 skaters.

#### **Skating level definitions: DEFINITIONS HAVE CHANGED. PLEASE READ CAREFULLY.**

- **Silver: Non-test track skaters must have passed FS4. Test track skaters must have passed Pre-preliminary Moves in the Field**

Ice will be sold in 15-minute increments for that purpose only.

*New this year: All parents will be required to be a rink monitor during private ice. Duties include staying at the rink and making sure all skaters check in before taking the ice. A rotating schedule will be made. You will be sent the schedule via email. You are responsible for finding a replacement if you are not available. You will only be scheduled during the time that your child skates.*

Please indicate the sessions you would like to purchase by checking in the far right side box. Be sure to make a copy of this contract for your personal records. Check with coach for private lessons.
