

Michigan Amateur Hockey Association Pilot Programs

18U OOD Pilot Program

Section: Division Classification

Approved: June 6/14/18 Extended 9/25/2019

In the 18U (Midget) classification teams will be allowed six (6) players who reside outside the district in which the team is registered. After November 15, teams that do not have a full 20 player roster, may be allowed to add additional out of district players under the following circumstances and with approval from the State Playoff Committee.

- This pilot program only applies to Tier II and House/Rec Categories. It does not apply to the Tier I or JV/High School categories.
- The team that wishes to add players may not drop any players (either in district or out of district) to do so.
- With the addition of any new players, their out of district participants must be less than 50% percent of the total rostered players or 6 out of district players, whichever is greater.
- Players eligible to qualify as additional out of district players may only be either previously not registered for the season on any MAHA team or must have been registered with pre-season High School or split season teams that are no longer active.
- All out of district players added after November 15 require an exception submitted to, and approval granted from the State Playoff Committee prior to being rostered.

Adopted June 14, 2018

Effective Date of Rule: Pilot Program – 1 year 2018 – 2019 season

On September 25, 2019, the State Tournament Committee Voted to extend the Pilot Program for 1 more year. **Pilot Program extended till 2020 Season**
