

10/16/19 PYHA Board of Directors Meeting October 2019

Attendees: Sara Faatz, Chris Garbarino, Lesley Kerins, Jude Liptak, Brian Stilgebouer, Liz Varva

Not in attendance: Diana Richmond

Others in attendance: Jacqueline Vuz, Kristen Harkelroad

6:42 Sara called meeting to order.

Sara:

PYHA is now registered with USA Hockey for Try Hockey for Free on 11/9 from 4-5:20 pm.

Sara will be out of town. Chris and Paul Clegg will coordinate with coaches. Liz, Diana, and Lesley will coordinate off ice volunteers. Sara will print stickers etc and deliver USA Hockey package to the rink before she leaves to go out of town that week.

The 16/18 U would like to participate in the Hemby Cup Tournament in Charlotte. Money for tournament and extra practices (to occur on Thursdays) will come from the team itself. Board voted to approve with 6 votes yes. Diana Richmond was not present to vote.

Chris will be organizing off ice checking clinics for the 16/18 U and 14 U tournament teams.

Rink has approved the purchase of ice time for November 23rd and 24th for the 14 U Tournament team to host games against St. James. With refs would cost about \$1,000.00. Funds will come from the travel fee registrations as approved by vote at last BOD meeting.

Concerns about 8 U ice time on Thursdays being shared with any other team other than LTP brought up by Jude. Topic had been discussed with the LTP coaches and split ice time had been approved on certain days for 14U travel team to practice in advance of a tournament.

Banging on the Boards Rule: Clarification made by USA Hockey: Bench minor if a team is banging on the boards if something unsportsmanlike happens and/or someone gets hurt. Lesley is forwarding info to team managers and Chris is forwarding to coaches.

Annual Report was posted to website today with access given to all current members in good standing. Questions about finances will be directed to Brian and questions about access can be directed to Lesley.

Jackie Vuz requested access to 2016-17 and 2017-18 financial info/tax returns/copies of 501C3 reports and a copy of the IRS audit conducted during 2017-18 season. Brian will provide redacted copies of all files.
