Message from Admin: Kate Obrien

Still in need of about 100 Turkey Baskets. Please post on your social media accounts. In a typical year students solicit outside of the grocery stores for donations and take monetary donations at the football games.

2 weeks left of the trimester, please check in with your students about finals and canvas. Students are having a hard time staying motivated. Don't wait to get help. Reach out for help in engaging the students.

Students have been given info for schedule changes, that information will be sent out to the parents shortly.

Admin is finding new and innovative ways to manage requests and processes.

Dec 28th is the earliest date of possibly beginning winter sports. Will continue to hold out hope.

Covid numbers have skyrocketed impacting many students and their families. Please check in on your friends and neighbors to offer support.

Hazen for Hazen drive – Additional crisis, families need support immediately. School is often the first lace of contact for community liaison connection but sometimes has a 3-5 day window to make connection. Kicking off a campaign to enhance the food pantry with crisis enhanced packs that include gift cards for food and gas to help bring families back in to stability.

Next Meeting is in January 2021.
