- Shore Regional Field Hockey in partnership with Jersey Intensity Field Hockey, the Nationally Ranked Field Hockey Club, is proud to offer our Fall Field Hockey Interclub League.
- This league is perfect for those players who have a very basic understanding of the game (able to dribble, pass, receive). The player does not have to be very experienced; however, this is not meant for brand new players! For players **brand new** to the game check out www.intensityfieldhockey.com for winter instructional clinics.
- This league will cover basics of the games such as self-starts, free hits, and corners (both defensive and offensive) in a game setting.
- Our goal is to put a stick and ball in the hands of girls in an environment which promotes FUN participation while learning game tactics and skills.
- Players will be provided with Pinny's but need to have their own sticks, shin guards, mouth guard and goggles. GK's need their own equipment.
