

H.E.L.P is pleased to provide Ronny Van Gompel Memorial Scholarships

California Condors 2019

H.E.L.P., under the lead of the California Condors, seeks to assist parents and families in meeting the financial commitments that are common for athletes who wish to learn and play the sport of hockey. H.E.L.P supplies financial assistance to those who may find themselves in a difficult financial situation, which would otherwise prevent their children from participating in the sport of hockey, specifically, the California Condors – Special Hockey Program.

As part of its annual budget, the California Condors will determine a dollar amount that will be set aside for aid. Additional funding for this program comes from donations and specifically designated fundraising events.

California Condors – Ronny Van Gompel Scholarship Assistance Program may offset any ASHA/USA registration fees associated with the practices and games. This program may supply financial aid to offset equipment, jersey costs, or team registration fees, etc.

In order to be considered for the scholarship, an application form must be completed and returned to the California Condors. Applicants may be asked to supply additional information or documentation (including financial, IEP or 504).

Please fill out the application for the California Condors Ronny Van Gompel Memorial Scholarship and send it to Christine Fleeger. The application must be printed, signed and returned in order to fully process the scholarship request.

If the application is approved, then the Acknowledgement page (Page 3) will also need to be signed and returned.
