## ALL-AMERICAN GAMES

The USA Softball All-American Games is a prestigious tournament to be hosted at Devon Park - home of the USA Softball National Hall of Fame, in Oklahoma City, August 3-8, 2026. This event will provide National exposure to elite athletes in the 12u and 14U age divisions and has been designed to identify and highlight the best athletes from across the country.

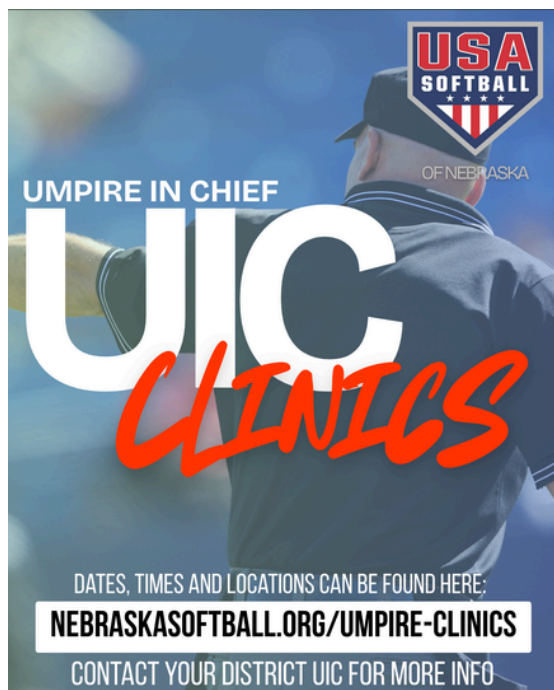

Each Region will select 2 teams in the 12u Division and 14u Division to represent their geographical area. Teams are comprised of 15 players and 2 coaches. Additional at-large selections are given to Regions with highest registration. This event is designed to recognize individual athletes for their outstanding playing abilities and selections should represent the individual best players and not an in-tact team.

Designation to a USA Softball All-American team is the highest honor a player can receive and instantly brands the player as one of the top athletes in the United States. Only 360 girls Nationwide in each division will have the opportunity to wear the USA Softball Jersey at this elite event. **Questions about these events can be directed to CJ Happold: 531-289-0005.**
