

RAAA COVID-19 Safety Policies and Procedures

General Guidelines (6/22/2020 Updates)

- Only named players and coaches are allowed on the field and in the designated bench areas
- Only 1 Parent/Guardian/Family Member per player is allowed at practice, scrimmage, or game and they must remain in the spectator viewing area and adhere to current social distancing guidelines
- Any player or coach with a fever or generally not feeling well is not allowed to participate in practices or games
- Pre and post-game handshakes and other physical contact is not allowed
- In-game contact should be kept to a minimum
- Players and coaches should maintain a 6 foot distance while on the bench and during non-game play situations
- Each team will have a designated coach responsible for disinfecting equipment and bench areas
- Bench areas will be sanitized prior to and after use
- Shared equipment must be disinfected prior to wearing or using
- Each player must have their own individual water bottle clearly labeled with their name
- No spitting, chewing gum, or sunflower seeds are allowed
- Team treats, snacks, drinks are not allowed
- All player bags and equipment must be kept 6 feet away from other bags and equipment
- Each program will have a designated COVID-19 Coordinator responsible for handling team sanitizing supply refill requests
- All participants should remain in their vehicle until the field is clear of any other teams
- All participants should enter and leave the field in a timely fashion and not congregate
- Face masks are recommended for all spectators
- Face masks are recommended for all players and coaches, except during play
- Games/scrimmages for outdoor sports are allowed between RAAA teams only starting on 6/24/2020
- Games/scrimmages for outdoor sports are allowed outside of RAAA starting on 7/6/2020

Reporting

- Any player or coach that tests positive or has been exposed to someone who has tested positive for COVID-19 must immediately report the positive test or exposure to the Program Director
- That player or coach and any household members will be ineligible to participate in any RAAA activity for 14 days from the reported date
- The Program Director will notify all players and coaches on that team of the COVID-19 exposure
