

2020 Fall/Winter High School & Junior High Prime Time Volleyball Summary Sheet

Dates:

- High school – 30 practices (24 guaranteed) from Oct 1 – Jan 31 (off from Dec 20 – Jan 2)
- Junior High – 22 practices (18 guaranteed) from Oct 1 – Dec 20

Locations:

- Savoy Rec Center (402 Graham Dr, Savoy IL)
- Sports Crib (1347 CR 2250E, St. Joseph IL)

Costs:

- High School -- \$150/month for 4 months --- ~\$20/practice
- Junior High -- \$150/month for 3 months --- ~\$20/practice

Payments:

- made via credit, debit or bank card via our web site
- no checks or other payment options available for this season

Additional Costs:

- tryouts --- \$15 to Prime Time (taken electronically at the time of completing registration form)
- USAV registration -- \$55 **full membership** fee to Great Lakes USA Volleyball for year (9/1/20 – 8/31/21)
 - last year's USAV registration should be valid through 10/31/20 – so if you have this from last year and it's valid through tryouts, you can use this for tryouts (need to show Ron USAV card with date)
 - can purchase \$10 **tryout membership** fee and then upgrade for \$5 or \$45 after that
 - can purchase \$15 **limited membership** fee valid through 12/31/20; then upgrade for \$40 after that
 - detailed information: <http://www.greatlakesvolleyball.org/Documents/JrMembershipOptions.pdf>

Tournaments:

- no team, family or coach is committing to any tournaments or additional costs
- registration for bigger tournaments usually fills by Oct 1 so even if Pritzker allows it, it would be difficult for us to register a team and get accepted
- however, if the team, family and coach agree, we can always try

Practices:

- a “group” will be defined as 20 girls at a similar level from what I defined from tryouts
- groups will always be together on the same court with the same coaches to confirm contact tracing
- there will be no subbing or joining another “group” if you were sick or missed your practice
- practice dates/times/locations for teams is all set for the season
(<https://www.primetimevbc.org/page/show/1939871-practice-schedules>)

Tryouts:

- all tryouts are located at the Savoy Rec Center
- for all those that are registered by 9pm on Sun, Sep 13 -> they will be guaranteed a tryout date
- first round of tryout dates max at 40 people -> if more than 40 register, we'll assign dates/times in the second round of tryout dates
- if someone is sick or can't make the first tryout date, please request a move to a second tryout date (but I can't guarantee which date)
- for all those that are registered after 9pm on Sun, Sep 13 -> we will try to fit those people in over the additional tryout dates if space is available
- Ron will email confirmation of your tryout date/time after you complete your registration
- from the one tryout date, I will create teams for this winter session

Tryouts (continued):

Round 1 of Tryouts at Savoy Rec Center:

- Fri, Sep 18 – 5:30-7:30pm --- 17/18s (#1) – juniors/seniors (max 40)
- Sat, Sep 19 – 3:30-5:30pm --- 17/18s (#2) – juniors/seniors (max 40)

- Mon, Sep 21 – 6:30-8:30pm --- 13s – 7th graders (max 40)

Round 2 of Tryouts at Savoy Rec Center:

- Fri, Sep 25 – 5:30-7:30pm --- potential additional tryout date*
- Sat, Sep 26 – 3:30-5:30pm --- potential additional tryout date*
- Sat, Sep 26 – 6:00-8:00pm --- potential additional tryout date*
- Sun, Sep 27 – 3:30-5:30pm --- potential additional tryout date*
- Sun, Sep 27 – 6:00-8:00pm --- potential additional tryout date*
- Mon, Sep 28 – 6:30-8:30pm --- potential additional tryout date

- NOTE: for the 13s (1 date) and 14s (2 dates) who paid for tryouts for the Spring 2020 season, we'll use the Sep 25-28 dates as additional opportunities to touch volleyballs. There will be girls there to do their one tryout date so the day will be a "tryout feel" – not a clinic with feedback, etc. For those 13-14s who would like to attend these dates, please email Ron (primetimevolleyball@gmail.com) to sign-up. There's a max of 40 allowed for each of those dates as well.

Tryout Date Conflicts:

- note them on the tryout registration form
- request a date that works for you in the "Round 2" → do not request or come to a different age group

Coaches:

- each group will have two coaches:
 - an "associate director" for the group who also serves as a head coach for one side of the net in the group
 - the "head coach" for the group will be another coach serving as the head coach for the other side of the net
- the associate director is the primary contact for being late, sick, gone, as well as general questions, etc.
- decentralizing some of the responsibilities since we are not all at Parkland with a primary coach leading etc.

Covid / Illness:

- the "group" configurations help us with contact tracing and communicating out any positive results in the group
- each coach will have a binder with the team and will do symptom checks prior to the practice
- however, we will lean on the parents to do the right thing for their kids and the other kids/families in the group
- typical Covid symptoms (cough, sore throat, fever, etc) will require player to stay home and should get tested
- **masks will be required of all players and coaches**
- **please bring a water bottle and small hand towel**
- parents will not be allowed to be in the gym and watch or hang out
 - however, I will provide a small budget for coaches to ask a parent of the group to stay and help during the practice (i.e. symptom asking, marking attendance, help any player that needs a break, contact a parent of a player if there's an issue, help in cleaning, etc).

Spring:

- after the JH and HS school seasons, we'll plan to have another short club season (i.e. May-June) with tournaments if we're able to participate in club tournaments at that time
- we will have a new set of tryouts (again, I don't want those participating now feeling like they are obligated – but I also don't want those who don't feel like this is in their best interests to be left out for the spring).
