

K thru 2nd Grade Boys and Girls Basketball Summer Skills Development Program

Program Information:

The Elkhorn Attack boys' and Elkhorn Elite girls' summer basketball program is designed to allow for any player between Kindergarten thru 2nd grade in the 2019-2020 school year to enhance their basketball skills in a highly structured summer basketball learning environment. The goal of the program is to develop greater skills within each player by allowing them the opportunity to get top-notch instruction and the opportunity to work on the fundamentals of the game in an academy style setting. The program will specifically focus on fundamental development with consistency and repetition being the priority. We will accept the first 50 players at each grade level, so register early to secure your spot.

Session Information:

Each session will be 1 hour in length. The program will offer 8 high-quality focused sessions during the 2019 summer. There will not be sessions on holidays or holiday weekends. Skills sessions will all be held on Monday and Wednesday mornings in June. All skills sessions will be held locally in the Elkhorn area at Elkhorn Valley View Middle School. The focus of each session will be athletic basketball. All drills and skills will focus on developing athletic, fundamentally sound basketball players.

Player Eligibility Info:

Eligible Players:

- Kindergarten thru 2nd Graders (2019-2020 School Year)
- Registration is open to all boys and girls in the community.

Player Commitment Requirements:

- To commit to the summer program register online between April 1st and May 28th at www.elkhornyouthsports.org.
- Player Cost: \$125 per player (includes all 8 sessions plus a t-shirt).
