Recruiting Coordinator: Stephen Santonastaso

Steve will be advising families in the college recruiting process bringing 28 years of college and club volleyball experience to our high school age group athletes.

This serves as a natural crossover with Steve's current position where he serves as a professional recruiting coach working with a nationwide recruiting platform, NCSA, supporting and advising families through the recruiting process.

Prior to joining DIGS as a full-time coach, Steve spent a season with the Rutgers (New Brunswick) volleyball program, helping the Scarlet Knights to become a team on the rise establishing numerous program firsts.

Steve spent 15 years coaching at his alma mater, the University of Rhode Island, including the last three seasons at the helm of the Ram program. He was elevated to head coach after spending 12 seasons with the program including nine seasons as associate head coach.

Steve graduated from the Univ. of Rhode Island in 1993 with a Bachelor of Arts in physical education with a concentration in athletic training and earned a Master's in athletic training at San Jose State University.

MAKING A TEAM

- Our selection process involves an athletic assessment based on the results of generally established testing methods. We also factor in athletic ability, skill demonstration, position and court presence during the clinic/tryout period.
- Athletes are placed on a team where their athletic level allows them to learn, contribute, and compete without feeling overwhelmed or out of synch with other players, or unable to participate fully in drills or tournaments.
- Teams will be formed upon completion of the tryouts.
- Team invitations will be sent via email and posted by number on website.
- Acceptances are due within 72 hours by "replying" directly to the email invitation with an "accept" or "decline".
- Upon acceptance you must make your first dues payment online (1/3% of total annual dues) to reserve your spot.
- If a player turns down the invitation, the first player on the waitlist will be called.

PLAYING TIME POLICIES

- Knowledge and Ability
- Performance/Attendance in training sessions
- Team needs
- Position requirements and demonstrated commitment.
- These decisions are the sole discretion of our coaching staff.
- Playtime is governed by the rules of volleyball. 12-sub limit, player must only exchange for the same rotational position.
- This is a competitive club that will strategically play athletes for the best chance of winning.
- All athletes on the team will get playing time but not all playing time will be equal

Whats Next?

- Selected players will receive email invitations to a specific team and their corresponding numbers will be posted on the website
- If a player turns down the invitation, the first player on the waitlist based on the needs of the team and the tryout results is called
- The website will be updated with the new players' number (replacing the one that turned it down)
- When a team is full with all players having accepted their invitations, the website will be updated to indicate that the team is full.
- We will not be calling anyone else on the waitlist for that team.
- Team registration completed via online payment
 - First installment of 33 1/3rd % due at time of acceptance
 - Remaining payment schedule (1/3rd increments): 10/15, 11/15

Season begins:

Village School: begin **Tuesday, September 10th**

Position Training tentative schedule: **September - November**

Mandatory parent meeting:

Village School: TBD

Club commitment contracts and forms to be signed and submitted at parent meeting.

What do we do?

- We offer competitive team training and developmental clinics.
- We provide a safe and positive environment that fosters growth and a passion for the sport of volleyball.
- Provides athletes with high-level training and instruction in a positive learning environment that fosters personal growth and development and a passion for the game of volleyball.
- Our goal is to teach/foster important life skills athletes will use on and off the court and educate players and parents about the college recruiting process.
- Teach players how to deal with adversity through teamwork.
- Encourage our athletes in their academic pursuits to be the best they can using time management skills they learn through volleyball.
- Encourage our athletes to take pride in their performance, and to positively represent this program, and community as well.

Key Principles

-  Improvement through defined goals, structured training, thorough preparation, measured anticipation, and live competition
-  The provision of equal training time for all club members
-  Decisions regarding team placement and tournament playing time are made by the coaching staff alone

Our Goals

-  Teach the values of teamwork, sportsmanship, leadership, time management, commitment, and hard work through the game of volleyball
-  Provide quality skills instruction, training, and coaching
-  Enjoy volleyball through fun times and challenging competition
-  Build self discipline, confidence, and self esteem
