

This Week in House Baseball

01/27/19

CORRECTION

In the newsletter two weeks ago, it said “If a player did not play high school baseball in 9th grade, they are eligible to play baseball with RYBA.” This was incorrect. A player can play 9th grade house baseball even if they played high school baseball, as long as they are not playing in another summer baseball program.

REGISTRATION

Please visit www.rybamn.com to register online and for more information.

The first of two in-person registration dates was scheduled for this Wednesday, January 30th from 5:30pm-7:30pm. Due to the dangerously cold temperatures forecasted for Wednesday, this first registration date will be postponed until next week, Wednesday, February 6th from 5:30pm-7:30pm in the Training Room at Scheels. Please stay safe and warm this week and come visit us next week to get your questions answered.

If you are having trouble registering online, SportsEngine recommends using Chrome or Firefox to access the registration page.

COACHES

RYBA is a volunteer organization that relies on parent coaches. Please consider registering to coach your child’s team when you register them for summer baseball.

RYBA is partnering with OMC to hold a FREE Coaches Clinic on Saturday, May 11th from 10:00-11:30 for any volunteer coaches that are interested in learning how to run a practice and learning some drills. This is open to any grade level. Registration is required and sign up is open - visit OMC’s website at: <https://www.olmmed.org/care-treatment/sports-medicine-athletic-performance/>, click on the “MindBody” link on either the right or left side banners, click the “baseball/softball” tab on the top of the MindBody page to see the “event schedule” and either search by date “05/11/2019” or scroll down to “Youth Baseball Coaches Clinic” to register.

Lisa Atkielski, 2019 House Director
