Stompers Elite (B) teams are very competitive and require a high level of commitment. Teams are established through an open tryout. Teams are composed of the strongest players in that age group, generally with 12 to 14 players on each team. All interested players are encouraged to try out.

The Summer Stompers Elite teams will be playing weekend tournaments during the months of June, July, and August. Tournament dates and locations will vary by team as determined by the head coach.

There is no charge to register or try out. Once drafted, each player will be charged a \$125 SRVGAL admin plus a uniform fee. The uniform fees vary depending on what items the player needs. Additionally, there will be tournament and training fees that will vary from team to team.

If you want your player to try out up to the next older age group please contact our league Admin, Jan Tomsic at svgaljantomsic@gmail.com.

If you are a coach and are interested in coaching this summer, use the link above to indicate your interest. Select the Team Staff/Volunteer Option.
