Open Forum Discussion:

- Bantam ref rates 3 to 2 man. Every MN association breaking 3 man rate into 2 man rates.
- WBL questioned COVID cancellation/reschedule rates. Common sense prevails.
- Much discussion about who should man what minor official positions for league games. It was decided that Home mans clock, scorebook, and penalty box. Away mans their penalty box. Home team submits game sheet to age level rep. (Rink rules trump league rules)
- Roseville asks that associations share with him their injury/illness policy in regards to tryouts.
- At what point should games be cancelled in regards to how many kids are out with covid. Follow the decision tree.

Presidents Report: Dave H.

- 4 Regions this year. Need ice somewhere the last weekend in February.
- Year end tourney dates may shift because of girls HS. Please send the dates ASAP. Need a PWC and SB2 host association.
- Bantam B2 managers need to bring 4 hours per team to the coach/manager meeting so that we can set up some more games with a late add team.

Directors Report: Kevin S.

- Injured players are not allowed on the bench this season.
- Out of line parents will be a safesport violation.
- Mask mandate: Refs will ask coaches to put masks on. If they refuse the ref will mark scoresheet and turn it into COVID coordinator Kevin. 1st offense is a warning. 2nd offense is a 3 game suspension. 3rd offense is a month suspension.
- Out of state travel form can be found online. Team managers should fill it out.
- Mite jamboree out of district form can be found online. Mites are allowed 6 full ice games this season.
