

GEAR SWAP EVALUATION DAY MARCH 16

**Has your player outgrown their cleats, glove, or gray pants and you'd love to pass them down?
Could your player use something in good used condition?**

Bring baseball gear in good condition to PED.

We'll have bins labeled by size and item.

Check out the stock and maybe you'll find something that your player could use this coming season.

Donations to GVLL in appreciation of gear you take for your player gratefully accepted.

Early gear donations accepted at Brookview or 2321 Kyle Ave N in GV
