

Jam Hops Updated Covid-19 Protocols

NEW protocols and reminders of existing protocols:

NEW - Minnesota Department of Health Protocols

- All children ages 6 and older will be required to wear a face mask when at Jam Hops including during class. Per coach/instructor direction, masks will be removed by the athlete if they pose a safety hazard during specific skills or while on certain apparatus. Masks will be available to purchase at our customer care desk if needed. Please have your child bring a small bag (a sandwich bag would work just fine) with their name on it to keep their mask in if it needs to be removed during class.
- Kids ages 6 and older will need to be dropped off at the front entrance, (unless instructed otherwise by their coach/instructor) we will have Jam Hops staff at the entrance to meet the children and get them to class.
- Only one family member should attend with children ages 5 and younger. Unless absolutely necessary, only those children who are participating in a class should be brought to JH.
- Carpooling is being discouraged due to the close contact that it creates.

Previously existing protocols (reminders)

- Each day, students and family members will be asked to disclose if anyone in the household has experienced any COVID-19 symptoms in the last 24 hours.
- If anyone in your household isn't feeling well, tests positive for Covid-19 or may have been exposed to Covid-19, refer to the attached document to determine when your child should stay home. **Attachment:** [Jam Hops Covid-19 Student Protocol](#)
- Everyone over the age of five who enter Jam Hops must wear a facemask and use hand sanitizer when entering the building. Hand sanitizer must be used again before entering the gym, studio or other room.
- A 6-foot social distance will be adhered to.
- Per the MDH, wearing masks, social distancing, and other guidance provided is intended to reduce the risk of transmission, but does not eliminate it.
- The same pickup procedure we had prior to the "pause" will be in place when we reopen.
