

We have come a long way the past nine years when the club had less than 30 kids. Through a lot of hard work from many coaches, board members and dedicated parents we've grown to over 150 boys and girls, becoming one of the most respected youth wrestling clubs in the State of Michigan and the 14th largest youth wrestling club in the NATION!

2018 was an exciting year for our team as we continued to set club records!

- 2,899 wins earned in competition!
- 76 State Qualifiers (up 31 from 2017!)
- 26 State Champions (up 19 from 2017!)
- MYWAY 6th Grade and under State Champs!
- 6 Matcats earned a spot on the Michigan National Schoolboy team, and 1 on the Cadet team

We are praised at every event for our kids' leadership, sportsmanship, and level of competition. Our Team received the MMWA Sportsmanship Trophy for the 2015 season. These are fundamentals we always strive for: **WIN WITH PRIDE, LOSE WITH DIGNITY, LEARN FROM BOTH.** We do this while competing at a very high level, and most importantly we teach our young athletes the value of discipline, team work and family.

Why Sponsor or Donate to the Matcats: Marketing Opportunities

- **Community.** Our home base of 150 kids is in the great community of South Lyon, MI and we are growing each year. We are well respected, organized, and represent your brand well publicly as well as at tournaments. We are active in our community, raising funds/awareness for local causes like the Flint water crisis to places as far away as Baton Rouge LA!
- **Exposure.** We attend over 30 tournaments across the state of Michigan and several National tournaments as far as Virginia, Georgia, Missouri and Fargo North Dakota. Tournaments are attended by over 400+ families and last from 8am to 5pm.
- **Promotion.** We have a database of over 1000 current and former community members who receive a personalized list of Matcats sponsors who we request they do business with. We will proudly include additional descriptions, coupons, etc. at your request.
