

Inclement Weather Policy:

In the event of inclement weather, the association President, based on feedback from the Board will make a final decision to hold practice. This decision will be made prior to 4:00pm on weekdays and 3 hours prior to events on weekends. Members will be notified via email. In all cases where weather is a concern, families should make the ultimate decision in the best interest of their safety. If a player does not participate due to weather conditions, these players will not be subject to team sanctions.
