Camp Details

Please join us for a camp that will specialize in the teaching of kids from grades K-6. This camp will be instructed by the varsity football coaches at Spain Park High School. During the camp we will focus on the fundamentals of the game. We will also begin teaching the offensive and defensive schemes implemented at the high school level. At this camp we intend to introduce an exciting brand of football to future Spain Park Jaguars. We will also focus on the following:

1. **Offensive and Defensive Philosophy.** Each camper will be introduced to the offense and defense utilized at Spain Park High School. Each player will work at his position under the guidance of a varsity coach. This will enable the campers to get an early grasp at what we are doing at the varsity level.
2. **Speed and Agility.** Drills will be taught to each player to help them become a better athlete.
3. **Competition.** All campers will compete in all areas of this camp. We will challenge each camper to improve every minute he is in camp.
