#### 4) Report of Committees

- House League - Kim Carroll:

- Winter Session opened for registration. The goal is to register 225 players for this session.
- The fall session had an issue with skill level of teams. There were some lopsided scores. Kim is working on this and is considering a skills session. The idea would be to actually see kids play and determine their skill level. Question – should we exclude travel players from house league? Some coaches move good players around or keep them in their own end of the field.
- Sarah Schihl brought up the idea having the travel coaches make contact with players in the house program. She does not feel email contact is enough and would like something in person.

- Travel Soccer:

- Working to finalize 2 U10 teams for the 2016s/2017s
- Topic raised to bring back coaches shirts as well as uniform “fitting day” in the future

- Tournament Committee

- Tournament director role filled – Michelle Fath
- Michelle is talking to the school district about holding the tournament at Lancaster High School. She was told that the district may not know until late February or early March if we may use the High School.
- Given the situation with Lancaster High School, Michelle has reached out to the East Aurora Soccer club about using Know Farm for out tournament.
- Considering a software change for the tournament. Currently we use Tourney Machine. Considering using Got Sport.
