

USA HOCKEY SAFESPORT AND BACKGROUND SCREENING

The new national program begins April 1, 2020, in conjunction with the opening of registration for the 2020-21 season.

All adult coaches, officials, board members, employees, volunteers, and anyone else who will have regular contact with, or authority over, athletes under the age of 18 are required to submit to a background screen before any such contact with those athletes.

For members who were last screened through WAHA after April 1, 2019, for the 2019-20 season, their screens will be valid for the 2020-21 season, and will not need to be screened under the new system until prior to the 2021-22 season. If a member's most recent screen is from prior to April 1, 2019, the member, if in a position that requires a background screen, will need to be screened under the new system in order to participate in the upcoming 2020-21 season.

SAFESPORT

The SafeSport Training and Refresher Training are each valid for one (1) season beginning on 4/1/20.

As of January 1, 2018, all relevant individuals who need to be SafeSport certified or are seeking recertification will need to complete the new SafeSport training, which features updated content.

Once you have completed the Core SafeSport Course, there will be a Refresher Course available for individuals who have previously completed the core SafeSport course and need to recertify. Users completing the SafeSport refresher course will be certified for an additional season.
