#SaferAtHome

We hope all of our HHA families are staying healthy and safe. This is a crazy time with a lot of unknowns and so many things have been postponed or cancelled. Here is a look at how some of our skaters are staying busy during this time!

What's Going On Around The Rink?

We made the decision to remove the ice from both rinks. This will allow us to do some maintenance and save on monthly expenses.

During this shutdown time due to COVID-19, our arena management team has been busy working hard! They've taken the opportunity while the rinks are closed to do deep cleaning and complete maintenance.

We are making sure all surface areas are properly clean and disinfected. Our rinks look amazing and we can't wait for you all to see the work that's been done!

Recently, our arena management team installed new water softeners at the rink!

Did you know by installing these water softeners it will allow us to have thinner, clearer, and stronger ice!

HHA History + Bylaws

You may have heard someone at Hudson Hockey say, "All Hudson Hockey Members own the rinks!" What does that mean? HHA is not owned by the city or a company.. it is a volunteer-run, non-profit entity that has been one of the largest, fastest-growing and most successful youth hockey associations in the State of Wisconsin! Read more about our History [here](https://www.hudsonhockey.com/page/show/5328517-history-of-hudson-hockey):

Further organizational details are included in the HHA Bylaws. The bylaws, by definition, are the rules by which Hudson Hockey operates. This also includes information on the roles and responsibilities of HHA Board members and committees. The bylaws can be found [here](https://www.hudsonhockey.com/page/show/1018045-hha-bylaws):
