

SFYHA COVID-19 Return to Play Guidelines

- Any players, coaches or spectators exhibiting symptoms or signs of an illness should not be at Scheels IcePlex or at any other SFYHA function until their symptoms resolve.
- Participants should utilize the South Dakota High School Activities Association (SDHSAA) COVID-19 Participant/Coach Monitoring Form to screen themselves prior to any on-ice activity.
- Squirt age players and younger (2010 birthyear and younger) should dress from home. Players may put on gloves, helmets and skates at the IcePlex upon arrival. Goalies are the only exception.
- PeeWee age players and older (2009 birthyear and older) must limit time in locker room to 15 minutes prior to practices and 30 minutes prior to games.
- Players must wear cloth or medical grade masks at all times in locker rooms.
- Players should vacate the IcePlex immediately following any scheduled activity.
- For Squirt age players and younger (2010 birthyear and younger), only one parent/guardian may remain in the IcePlex for the duration of practice.
- For PeeWee age players and older (2009 birthyear and older), parents must drop off players for practice and should not stay to observe practice.
- Coaches and team managers are encouraged to use Zoom, Skype, etc. to hold any parent/team meetings that will last more than 15 minutes.
- Attendees must wear masks for any in-person team meeting lasting more than 15 minutes.
- Avoid sitting large groups of players on benches during practices.
- During games, all DIBS volunteers at scorers table **MUST** wear masks. The scoreboard panel, laptops computers and desk should be sanitized after every game.
- No sharing of water bottles or any other equipment.
- No pre or post game handshakes.
- No buses for high school travel trips. Recommend carpools with max of 3 players for vehicle. Players shall not drive to or from out of town games unless accompanied by a parent or parent designee.
- All game spectators will observe IcePlex rules for social distancing.

SFYHA Management of COVID-19 Positive Cases

- No player, coach, parent or sibling should enter the IcePlex if exhibiting symptoms of COVID-19 (fever, cough with difficulty breathing, unexplained sore throat, unexplained diarrhea/vomiting/abdominal pain, severe headache, loss of taste or smell).
- Inform Cherry Hunter (cherry.hunter@sfflyers.com) immediately when a player, coach or other team personnel tests positive, somebody in a player's household has tested positive or when a player or coach has been exposed to somebody confirmed to have COVID-19.
- Any team members and coaches of a confirmed positive COVID-19 case must refrain from meeting, practicing, visiting the Scheels IcePlex and competing in any games pending further direction from South Dakota Department of Health (SDDH).
- Any confirmed positive COVID-19 case must have SDHSSA return to play form completed prior to return to activities
- Any South Dakota Department of Health confirmed close contact must self-quarantine for 14 days from the date of potential exposure.
- SFYHA leadership will notify all teammates and coaches when a player on that team has tested positive, but SFYHA will keep the individual's identity anonymous. All information will be treated in compliance with HIPAA.
- SFYHA leadership will notify the entire association when a player or coach tests positive for COVID-19 but the individual's identity will remain anonymous. All information will be treated in compliance with HIPAA.
