How it works:

- 1) Your boats, sails, and other equipment will be delivered before the season starts.
- 2) A Boatworks team member will rig and de-rig each boat with the athlete and a parent or coach during delivery, to answer any questions.
- 3) Regular maintenance is on us!
 - We'll take care of any broken hardware or regular wear-and-tear, to keep you on the water for the entire summer. Limitations apply.
- 4) At the end of the season, we will pick the boat up from you, and you don't have to think about your equipment until we decide next year's delivery date!
