

Welcome to Baseball in Minneapolis!

We're glad you're here! Before the game, a few reminders...

- **Feeling sick?** Please go home and take care of yourself.
- **Feeling squished?** Social distancing is always expected. Air hugs and jazz hands are welcome when saying hello to your diamond friends.
- **Have a mask?** Keep it handy, we'd love to have you wear it! You'll notice our players will be wearing them more often than not. Our goal is to reduce the risk of transmission to keep the kids playing during the pandemic. We encourage you to wear your mask.
- **Need a seat?** The players do, too! This year, some spectator areas, including bleachers, are closed to ensure teams have enough room to social distance. Please sit in the designated spectator areas **marked in red**. Blue is reserved for teams.
- **Enjoy the game!**
