

2-1 3-2 Trailer

Description

- The drill starts as a 2 vs 1 out of the corner, with **F 1** and **F 2** going the length of the ice against **D 1**.
- As the 2 vs 1 goes by the two **D 2**, the two **D 2** pop out.
- **F 1** and **F 2** crash the net and try to score, with **D 1** defending.
- **F 1** and **F 2** curl towards the corner with **F 3**, and then all three go back down the ice in a 3 vs 2 against the two **D 2**.
- **D 1** curls up and joins the forwards as a supporting trailer option.
