Allegiant Volleyball Club is a local club that strives to create opportunities for athletes to compete in top level volleyball tournaments not only in Texas, but other states as well. We currently serve athletes, ages 9-18 years. These athletes are from Greenville, Sulphur Springs, Royse City, and the surrounding areas. Some families travel nearly two hours in order to participate in our program. All of the exceptional youth in our program strive to work hard on and off the court, including being involved in community service activities. The price of participating in club volleyball can be extremely costly. Even with fundraisers, some girls are unable to participate in a volleyball club because of the fees involved. Some of our athletes need assistance and may seek help from community sponsorships. If you would like to sponsor one of our athletes and help make their dreams come true, we will advertise your business on our website, social media platforms, or other ways as requested. The tuition cost for the 2025-26 Club Season ranges from \$3100-\$4000 along with the cost of our uniform package that ranges from \$200-\$300. Any amount will help!

Please make checks payable to: Allegiant Volleyball Club

(include the sponsored athlete's name _____ in the notes section of the check)

We are open to any suggestions you may have in regards to making this sponsorship work for both parties. We look forward to your support and hope to hear from you soon.

Sincerely,

Heather Hedges-Basye
