

Memorandum

To: SE Coaches

From: SE Board

Date: January 18, 2026

Re: SE Uniform policy

The purpose of this Memorandum is to clearly outline Southeastern's Uniform Policy. Certain aspects of this policy have long been in place (though not always consistently followed), while others are new provisions implemented to address issues identified during last season.

Major, Minor, 9U Teams

- Each Major and Minor team is responsible for providing its players at least one jersey and one hat (collectively, the "Uniform").
- The cost of the Uniform may be covered by one or more sponsors (each, a "Uniform Sponsor"), divided equally among player families, or paid through a combination of sponsorship and family contributions.
- If a Uniform Sponsor requests that its name and/or logo appear on the Uniform or any other team gear, the sponsor must pay a **\$350 fee directly to the League**. This fee applies **per Uniform Sponsor**, not per team.
- If a Major or Minor team wishes to use the League's jersey vendor and/or order the same jerseys issued in the prior season, the League will provide the vendor's contact information so the team may work directly with the vendor.
- Minor teams will no longer be responsible for the \$350 league sponsor since they are providing their own uniforms.

Rookie, Tball, and Weeball Teams

- The League will provide Rookie, Tball and Weeball teams with one jersey and one hat.
- Rookie teams may choose to have an alternate jersey. However, any alternate jersey must be paid for by a sponsor obtained by the team; the cost may **not** be divided among player families.
- Sponsor names or logos may **not** be placed on any jersey, hat, or team gear.

9-12 year old Summer Teams

- The League will provide each summer team with two jerseys and two hats.
- Teams may choose to obtain an alternate jersey/hat at their discretion and cost.
- Sponsor names or logos may **not** be placed on any jersey, hat, or team gear.

5-8 year old Summer Teams

- The League will supply each summer team with two jerseys and one hat.
- Teams may choose to obtain an alternate jersey/hat at their discretion.
- Sponsor names or logos may **not** be placed on any jersey, hat, or team gear.

Fall Teams

- The league will supply one jersey to each team.
- No alternate jerseys are allowed.
- Sponsor names or logos may **not** be placed on any jersey, hat, or team gear.
