

Dear Eighth Grade Family,

We are excited your child is continuing to play lacrosse or starting to play this year. Your child's eighth grade year can be one of the most fun and exciting years for lacrosse. Your child has the unique opportunity to play high school and town lacrosse. Your high school coaches and youth program recommend you do the following:

***Sign up for high school lacrosse
Practice and play high school lacrosse
Sign up and play town lacrosse on just Sundays***

We do not want players to practice for two teams, we think that would be too much. We do want you to play games with the youth program on Sundays since that is the best opportunity to play against competition that is the same age of your child. Players who benefit from both programs will have fun, learn and compete at high levels. We are excited for this opportunity. If you have any questions about this arrangement, please feel free to contact any of us. The deadline to play both high school and youth lacrosse is listed below.

We look forward to seeing you all on the new turf fields which is becoming a mecca for lacrosse! Go Dolphins!

Sincerely,
